## Co-Creation: Integration, Transformation, Practice

Calgary, Alberta: May 26 – 29, 2018

The Canadian Evaluation Society (CES) cordially invites you to participate in and support its 2018 annual conference, which will be hosted by the Alberta and Northwest Territories Chapter at the Hyatt Regency Calgary from May 26 - 29.

This annual event is the largest gathering for evaluators in Canada, providing them with professional development at an unprecedented scale. This year's conference is expected to attract an audience of some 500+ local, national and international participants. A high level of interest is generated annually at CES national conferences, as demonstrated through the receipt of on average over 450 proposals for workshops and presentations. Please visit our website to review our outstanding keynotes and other program and conference related news items: [c2018.evaluationcanada.ca](http://c2018.evaluationcanada.ca) and follow us on Twitter [@CES SCE c2018](https://twitter.com/CES_SCE_c2018).

Our sponsors are an important part of the CES Conference. This is your opportunity to:

- Promote your organization to local, national, and international evaluators;
- Increase the visibility of your products and services; and,
- Demonstrate your support for evaluation in Canada.

As a sponsor, you will draw attention to your professional capabilities in program evaluation and have the opportunity to network and promote your services. You will have top exposure to our Conference participants through a variety of venues and mechanisms, including our Conference App.

### Yellowknife Post-Conference Event

May 31 - June 1, 2018

This year CES is trying something different and hosting a c2018 after-conference event in Yellowknife, Northwest Territories. Although the two events are closely linked, they are being treated as discrete for sponsorship purposes.

For further information on the Yellowknife event and related sponsorship opportunities, please contact our co-chair, Debbie Delancey at: [ddelancey33@gmail.com](mailto:ddelancey33@gmail.com)

## THE CANADIAN EVALUATION SOCIETY

We are a professional association dedicated to advancing evaluation theory, knowledge and practice through leadership, advocacy and professional development for members and non-members (our mission). CES members include 1,700 professionals working in all levels of government in Canada, as well as in private and not-for-profit organizations, and internationally. To learn more about who we are, please download the CES membership infographic: [evaluationcanada.ca/sites/default/files/who-we-are.pdf](http://evaluationcanada.ca/sites/default/files/who-we-are.pdf)
